*KAL structure & reminders: A knit-a-long is a scheduled time where people get together at the shop to work on a specific scheduled knitting project. FNYC's KALs are not necessarily teaching events or typical classes, however you will learn various tips and tricks while making some great connections with other participants. We always have a staff person ready to assist but you must feel comfortable with your skill set for the particular project, as this is not a typical class---but rather a social knitting session! We designate varied projects during the class series, with assigned dates and a specific time. You may decide to attend **as many** or **as few** sessions during the KALs and **registration is not required**. It is our hope to provide a helpful and creative space to keep you moving forward with your knitting goals!

***Registration is required for all classes. Photos for each project can be viewed at www.akfnyc.com.**
